Field 1 — Short Description (Next to the Photo)

Look up at the night sky long enough and anyone can start to feel very, very small.

Addison answers with a cracked-open fortune cookie and a cosmic correction: you’re braver than you think, and stronger than you thought.

For the one who feels like a speck some days and keeps showing up big anyway.

Small dot. Big courage.

Field 2 — Long Description (Description Tab)

The universe is enormous, and you are one tiny dot in it.

That's true — and it's also the least interesting thing about you.

Because that tiny dot keeps getting back up, again and again.

A Fortune Cookie From the Cosmos

A golden-orange fortune cookie cracks open and its white paper fortune curls out beneath it, printed in bold red: "You may feel like a dot in the great cosmic lot, but you're braver than you think, and stronger than you thought!"

It's a rhyme for stargazers, space lovers, and anyone who's felt small and stayed brave — and with twenty-five fortunes in the Fortune Cookie series, everyone gets a fortune of their own.

Because the bravest things in the universe often come in the smallest packages.

The Perfect Gift for the Brave Little Dot

The moment your kid walks into a brand-new school alone, or your friend steps on stage after swearing they never could — that's the moment this shirt was made for.

It's right for the space nerd, the shy kid finding their voice, and the friend facing something huge — perfect for a first-day-of-school gift, a planetarium-trip surprise, a you-did-it celebration, or a birthday for the bravest small person you know.
