Field 1 — Short Description (Next to the Photo)

You're hosting two conversations, planning three parties, and still somehow finding the perfect gift for everyone.

Caedus answers with the Gemini twins traced in the stars over a snowy hill and three words for every busy mind: Peace on Earth.

For the Gemini who lights up every gathering and secretly loves the one quiet minute under the night sky.

Two sides. One peace.

Field 2 — Long Description (Description Tab)

The Gemini in your life can talk to anyone, about anything, all season long.

But the twin sign also knows something most people forget: the best conversations end in comfortable silence.

Making room for both the sparkle and the stillness is how a curious mind stays whole.

The Twins Written in the Winter Stars

A full moon hangs over a star-filled night sky while the Gemini constellation — two bright star-figures standing side by side like twins — is traced in thin blue lines, above a snowy hill and a frosted pine, with Peace on Earth lettered in bright blue across the snow and Gemini signed small beside it.

It's the shirt that sparks a holiday-party conversation about the stars within minutes — and the Peace on Earth series has all twelve signs, so every friend in the circle can find their match.

Because a busy mind finds its focus in the quiet moments.

The Perfect Gift for the Gemini Who Keeps Everyone Connected

The moment your Gemini finally puts down their phone mid-party, steps onto the porch, and just looks up — that's the moment this shirt was made for.

It's right for the friend who knows everyone at every party and the May or June baby who deserves a gift as interesting as they are — perfect for a holiday gift exchange, a friends' holiday party, a matching family photo, or a just-because present for the astrology lover.
