Field 1 — Short Description (Next to the Photo)

You've had the gift list color-coded for weeks and you've already double-checked every bow.

Fenn answers with the Virgo constellation laid out over a snowy hill and three words even a perfectionist can rest in: Peace on Earth.

For the Virgo who quietly makes every holiday run smoothly and deserves to finally sit down and enjoy it.

Every detail. Total peace.

Field 2 — Long Description (Description Tab)

Behind every perfect holiday is someone who planned it down to the last ornament, and it's usually a Virgo.

But this careful earth sign knows the details only matter because of the people they're for.

Letting go of perfect long enough to feel the peace is how a helpful heart recharges.

The Maiden Written in the Winter Stars

A full moon hangs over a star-filled night sky while the Virgo constellation — the maiden's long, graceful sprawl of stars — is traced in thin blue lines, above a snowy hill and a frosted pine, with Peace on Earth lettered in bright blue across the snow and Virgo signed small beside it.

It's the shirt that gets a knowing laugh from everyone who has watched their Virgo run the holidays — and with all twelve signs in the Peace on Earth series, the whole crew can match their planner.

Because even the most careful hands deserve a moment to rest.

The Perfect Gift for the Virgo Who Thinks of Everything

The moment your Virgo realizes everything is done, the table is set, and there's nothing left to fix — that's the moment this shirt was made for.

It's right for the friend who organizes every gift exchange and the August or September baby who always gives the most thoughtful presents — perfect for a holiday gift exchange, a thank-you to the family planner, a cozy winter photo, or a present for the astrology lover who notices every detail.
