Field 1 — Short Description (Next to the Photo)

You're the one at the holiday party talking about how we could all make the world a little better next year.

Kyle answers with the Aquarius constellation pouring across the sky over a snowy hill and three words you actually mean: Peace on Earth.

For the Aquarius who marches to their own beat, dreams big for everyone, and was born in the heart of winter.

Free mind. Kind world.

Field 2 — Long Description (Description Tab)

Most people say peace on earth once a year on a holiday card.

The Aquarius in your life says it every day — and then goes out and works for it.

Believing in a kinder world, out loud, is how one person starts to change it.

The Water-Bearer Written in the Winter Stars

A full moon hangs over a star-filled night sky while the Aquarius constellation — the water-bearer's long, flowing chain of stars — is traced in thin blue lines, above a snowy hill and a frosted pine, with Peace on Earth lettered in bright blue across the snow and Aquarius signed small beside it.

It's the shirt that starts the best conversations at a winter gathering — and the Peace on Earth series covers all twelve signs, so the friends who share an Aquarius's dream can wear their own.

Because if there's no change, there's no change — and peace starts with you.

The Perfect Gift for the Aquarius Who Dreams for Everyone

The moment your Aquarius stands out in the snow, looks up at the stars, and starts talking about everything that's possible — that's the moment this shirt was made for.

It's right for the friend who volunteers every holiday season and the January or February baby who never wants an ordinary gift — perfect for a winter birthday, a holiday gift exchange, a cozy family photo, or a present for the astrology lover who wants to change the world.
