Field 1 — Short Description (Next to the Photo)

You're the one tearing up at the holiday lights, the old songs, and the sweet card from a friend.

Lorielle answers with the Pisces constellation drifting over a snowy hill and three words a dreamer feels deeply: Peace on Earth.

For the Pisces who feels everyone's joy and sorrow and turns it all into kindness.

Dreamy heart. Gentle peace.

Field 2 — Long Description (Description Tab)

The season is full of magic, and no one feels it more than a Pisces.

This compassionate water sign doesn't just see the beauty of a winter night — they soak it in and pass it on.

A gentle, feeling heart isn't fragile; it's how kindness travels from one person to the next.

The Fish Written in the Winter Stars

A full moon hangs over a star-filled night sky while the Pisces constellation — two fish swimming apart, tied together by a long cord of stars — is traced in thin blue lines, above a snowy hill and a frosted pine, with Peace on Earth lettered in bright blue across the snow and Pisces signed small beside it.

It's the shirt that makes a dreamy winter night feel even more magical — and with all twelve signs in the Peace on Earth series, everyone a Pisces loves can find their own.

Because kindness felt deeply is kindness passed on.

The Perfect Gift for the Pisces Who Feels Everything

The moment your Pisces watches the first snowfall from the window and goes completely, peacefully quiet — that's the moment this shirt was made for.

It's right for the artist friend who sees magic everywhere and the February or March baby who gives the most heartfelt gifts — perfect for a holiday gift exchange, a cozy winter night in, a matching family photo, or a present for the astrology lover who trusts the stars.
