Field 1 — Short Description (Next to the Photo)

Two hundred stops, one scanner, and a dog at every third porch — and you still wave back at the kid in the window.

Tenel makes it official: a red Emotional Support Delivery Driver badge for the person who keeps the whole neighborhood's day moving.

For the driver who knows every gate code, every shortcut, and exactly which customers leave out a cold bottle of water.

Every stop. Every smile.

Field 2 — Long Description (Description Tab)

Everyone loves the package; almost nobody thinks about the person who carried it up three flights in the rain.

But delivery drivers are the quiet thread that ties a whole town together, one doorstep at a time.

Showing up for strangers all day long is a kind of strength worth wearing proudly.

A Badge for the Ones Who Bring It to Your Door

A bold red medical-style badge frames two simple figures leaning into each other over a heartbeat and a small heart, with EMOTIONAL SUPPORT arched across the top and DELIVERY DRIVER stamped along the bottom.

It's the shirt that gets a honk and a thumbs-up at the depot — and has the rest of the route crew asking where to get theirs.

Because carrying someone else's day forward is how you keep your own moving.

The Perfect Gift for the Driver Who Never Misses a Stop

The moment a driver climbs back into the truck after the last drop of a double-peak shift and finally exhales — that's the moment this shirt was made for.

It's right for the courier who knows the route better than the GPS and the rookie finishing their first holiday rush — perfect for a driver appreciation gift, a depot shout-out, a retirement send-off, or a thank-you from the regulars on the route.
