Field 1 — Short Description (Next to the Photo)

It's three in the afternoon, you have a headache, and the only thing you've had all day is coffee.

Uvena answers with a golden sunflower and the friendliest reminder you'll ever wear: Stay hydrated, my friend.

For the one with the giant water bottle who reminds the whole group to drink up — and the one who needs that friend.

Sip often. Shine bright.

Field 2 — Long Description (Description Tab)

We will remember to water the plants, refill the dog bowl, and charge every device in the house — and then forget to drink a single glass ourselves.

But even a sunflower can't stand tall without water, and neither can you.

Taking care of your body is the first act of kindness, and everything else you do runs on it.

A Sunflower That Knows What It Needs

A half-bloom sunflower in warm golden yellow opens over a deep brown center, with STAY HYDRATED MY FRIEND lettered in a single cheerful line of sunflower-yellow capitals beneath it.

It's the shirt that gets the whole office refilling their bottles at once — and with thirty-two affirmations in the Sunflower series, every friend can wear the reminder they need most.

Because a body that's cared for is a spirit that can keep going.

The Perfect Gift for Your Favorite Hydration Coach

The moment your friend slides a cold water across the table and says "drink this first" before you've even sat down — that's the moment this shirt was made for.

It's right for the gym buddy who never leaves home without a gallon jug and the busy mom who drinks reheated coffee all day — perfect for a self-care basket, a fitness-goal reward, a summer-camp counselor gift, or a just-because hello.
