Field 1 — Short Description (Next to the Photo)

You looked at your group chat, your Friday nights, and your goals — and realized only one of them was pointing where you want to go.

Vima answers with a golden sunflower and the rule every growth-minded person eventually learns: You are the product of the five people you spend the most time with.

For the builder who's choosing their circle on purpose and wants the people around them to know they made the cut.

Choose your five. Grow together.

Field 2 — Long Description (Description Tab)

Most of us pick our habits, our jobs, and our goals carefully — and then let our circle happen by accident.

But the people you spend the most time with shape you more than any book, course, or plan ever will.

Strength comes from the people, ideas, and habits you choose on purpose — so choose like your future depends on it.

A Sunflower Grown in the Right Company

A half-bloom sunflower in warm golden yellow rises over a deep brown center, with YOU ARE THE PRODUCT OF in sunflower-yellow capitals, THE FIVE PEOPLE in big bold letters at the center, and YOU SPEND THE MOST TIME WITH across the line below.

It's the shirt that makes your best friends ask, "Wait — am I one of your five?" — and with thirty-two affirmations in the Sunflower series, your whole circle can wear one together.

Because the people you choose today become the person you are tomorrow.

The Perfect Gift for Someone in Your Five

The moment you look around the dinner table at the people who pushed you, believed in you, and showed up for you, and realize you wouldn't be here without them — that's the moment this shirt was made for.

It's right for the accountability partner who texts you at 5 a.m. to make sure you're up and the mentor who saw something in you before you did — perfect for a mastermind-group gift, a business-partner thank-you, a best-friend birthday, or a team retreat.
