Field 1 — Short Description (Next to the Photo)

You redid it four times and you're still not happy with it.

Olivia calls off the perfectionism before it calls off you — progress counted, perfection never required.

For the person whose inner critic never clocks out.

Progress. Not perfection.

Field 2 — Long Description (Description Tab)

Everyone's chasing a finished version of themselves that was never actually the goal. Olivia interrupts that chase mid-sentence: the goal was always progress, not some flawless final draft. That's Own Yourself — claiming the messy middle instead of waiting for a perfect version that doesn't exist.

The Permission, In Writing

Bold, rounded hand-lettering states PROGRESS NOT PERFECTION in solid blue — a plain, unhedged permission slip, worn where you'll actually see it. It's the shirt that talks someone off the ledge of their own inner critic, including its wearer. Because owning yourself means owning the draft, not just the finished piece.

The Perfect Gift for the Recovering Perfectionist

There's a specific kind of relief in someone finally hearing that good enough is actually enough — that's the moment Olivia is for. She's for the friend who redoes everything twice, the person deep in a hard new skill, and anyone who needs the reminder that progress counts. Birthdays, milestones, or the shirt that talks someone down from starting over again.
