Field 1 — Short Description (Next to the Photo)

Everything feels off and you can't point to any one thing that's actually wrong.

Sarah traces it back to the same seven centers every time — balance the chakras, and the life around them steadies too.

For the person who treats their energy like it's worth maintaining, not just their calendar.

Balanced chakras. Balanced life. That's the whole equation.

Field 2 — Long Description (Description Tab)

Everyone's optimizing their schedule and wondering why they still feel scattered. Sarah points somewhere else entirely: not the calendar, the seven centers underneath it. That's Focus — the same chakra family as Grant and Elysia, this time aimed straight at the life it actually produces.

Seven Centers, Traced in Color

A full rainbow column of the seven chakra symbols runs down the spine of a seated silhouette, roots of colored energy trailing outward from the base — with BALANCED CHAKRAS / BALANCED LIFE lettered below in matching outline blue.

It's the shirt that names the actual cause instead of another symptom to manage. Because the life follows the centers, not the other way around.

The Perfect Gift for Someone Building Their Practice

There's a specific relief in tracing 'off' back to something you can actually work on — that's the feeling Sarah names. She's for the friend deep in their yoga practice, the person who treats energy work as maintenance, not mysticism, and anyone rebuilding a life around actual balance instead of just a fuller calendar. Birthdays, practice milestones, or the reminder that the centers come first.

Why You'll Love It

Inclusive Sizing — Everybody can wear the balance — available S through 5XL.

LeoScorpioLeo Design — Original chakra artwork, part of the LeoScorpioLeo Chakra collection.
