Field 1 — Short Description (Next to the Photo)

Some days you talk yourself hoarse trying to explain how you're really doing.

This tee skips the explanation — it just radiates the mantra instead: energy speaks louder than words.

For the one mid-yoga-flow, the mindful mover, the friend who checks their chakras before they check their phone.

Don't explain your vibe. Wear it.

Field 2 — Long Description (Description Tab)

Everyone's still trying to talk their way into being understood — the right words, the perfect explanation, one more sentence to prove the point. But the people who actually radiate calm never had to convince anyone of it. Zickry is for the one who stopped explaining their energy and just let it do the talking.

Seven Centers, One Message

A row of colorful chakra icons lines up across the chest under the mantra that says it plainly: Energy speaks louder than words. It's the shirt that gets noticed across the studio before class even starts — and gets asked about the second it's over.

Because alignment isn't something you announce. It's something you carry.

The Perfect Gift for Someone Doing the Inner Work

There's a specific kind of quiet the room gets when someone's actually centered, not performing it — that's the moment Zickry earns its spot in the closet. She's for the friend who never misses a Sunday flow and the one who just started meditating and won't stop talking about it (in the best way). Birthdays, new-studio gifts, or any day that calls for a reminder to check in with your own energy — she pairs easily with any other LeoScorpioLeo design building a wardrobe with something to say.
